SUMMARY

- Dedicated and driven software engineer with 3 months of training in designing and developing resilient code of web applications using Microsoft technologies. A collaborative team member, known for proactive problem-solving and a strong sense of responsibility. Striving for career growth and innovation, I am pursuing a competitive role that stretches my capabilities, enriches my skills, and augments company dynamics.

Skills

- **Language** : Python, Javascript, Html, Css, C#
- **Database** : MySql, MongoDB, Prisma, Firebase
- **FrameWork and Utilities** : ReactJs, NextJs, ExpressJs, Asp.Net
- **Version Control** : Git and Github

EXPERIENCE

Tss Consultancy

MAY 2022 - AUGUST 2022

Associate Software Engineer

Rajkot, Gujarat

- During my 3-month training at TSS Consultancy, I gained hands-on experience in software development following agile methodologies
- I contributed to the development of anti-money laundering solutions, successfully solving issues and implementing key features. Working collaboratively with senior developers, I acquired proficiency in .NET, ASP.NET, and Angular, and developed a strong foundation in delivering effective software solutions
- Technology Used : **C#, ASP.NET, Agile methodologies, MySql, Angular, EFCore**

PROJECTS

Communify | Connect. Communicate. Collaborate

- Developed a Full stack **real-time communication** platform using cutting-edge technologies.
- It include **Secure authentication and authorization**, seamless server and channel creation, **Real-time messaging with editing and deletion capabilities**, Audio and Video call functionality, sharable server invite links for effortless user onboarding
- Technology : **Next.js, Prisma, MySQL, Socket.io, Tailwind css**

ThreadSync

- Designed and developed a Full stack dynamic social media platform with **real-time interactions**, prioritizing user engagement and seamless communication.
- User-friendly post creation, deletion and comment features, Real-time message feeds and updates powered by socket.io.
- Technology : **Reactjs, Chakra Ui, Node.js, Express.js, MongoDB, Socket.io**

DevNotes

- Developed a Full stack knowledge-sharing platform for developers to store, organize, and retrieve code snippets enabling efficient problem-solving and knowledge retention.
- User-friendly interface for creating, editing, and searching snippets with titles, descriptions
- Key Features : Secure authentication and authorization, Syntax highlighting, code sharing, Search functionality, note creation, deletion, update functionalities.
- Technology : **Reactjs, tailwindcss, Node.js, Express.js, Firebase**

EDUCATION

B.Tech Computer Science and Engineering

2018 - 2022

Atmiya University (CGPA : 8.49)

Rajkot, Gujarat

Class XII

2018

School of Science (Overall Percentage: 78%)

Rajkot, Gujarat
